### **SPECIFICATION**

LED Lighting Equipment  
Curve Theatre, 60 Rutland Street. Leicester. LE1 1SB

## 1.0 Project Overview

The project is for the purchase of LED Theatrical Lighting and associated rigging equipment.

## 2.0 Products & Materials

The naming of particular brands, products, manufacturers or suppliers in these tender documents is for the purpose of communicating a particular standard, aesthetic or other design characteristic.

Although the named brand and model is our preferred brand, the Theatre welcomes manufacturers to submit their proposals for alternatives where they are deemed to have a cost, programme or quality benefit to the project. Alternatives should be included in a schedule appended to the contractor's proposals with details of their cost and programme impact. Each will be considered and will be subject to acceptance on an equal and approved basis.

Where the specification includes items not identifying a brand, product, manufacturer or supplier, it is expected that the contractor will use their experience and competence to select materials and/or products in keeping with the standards described elsewhere within the specification.

## 3.0 Generic Requirements

The supplier will offer and honour a guarantee of no less than **2 years** on all equipment bought during this tender process. This will include like for like replacement with minimal inconvenience caused to the Theatre.

## 4.0 Nominated persons

For Tender process related enquiries – Jay Bridges  
Director of Buildings and Facilitates – [j.bridges@curvetheatre.co.uk](mailto:j.bridges@curvetheatre.co.uk)

For all specification enquiries – Jonathan Laidlow  
Head of Lighting and Technical – [j.laidlow@curvetheatre.co.uk](mailto:j.laidlow@curvetheatre.co.uk)

## **5.0 Key Dates**

Tender deadline will be 18<sup>th</sup> October 2021

Award of Tender will be 22<sup>nd</sup> October 2021

Equipment must be delivered to site by 12<sup>th</sup> November 2021

## **6.0 Non-Collusion**

Tendering contractors are required to submit a declaration of non-collusion as part of their tender proposals.

The tenderer is required to confirm that:

- Their tender is bona fide.
- They have not colluded with any other party to fix or adjust the tender price.
- They have not communicated the tender price or terms to another party except where necessary to prepare the tender.
- They have not entered into arrangements with other parties not to tender, or to tender a certain price or terms.
- They have not given inducements or rewards to the client or any of their representatives.
- Similar non-collusion arrangements have been made with their nominated sub-contractors and suppliers.

## **7.0 Award of Contract**

Each tender submission will be evaluated to establish compliance with the requirements of the Invitation to Tender and scored using the matrix included in the tender documentation.

Leicester Theatre Trust Ltd (Trading as Curve Theatre) does not commit to accept the lowest priced tender, or indeed any tender produced by this tendering exercise.
